# MORESHWAR DALVI

SOFTWARE DEVELOPER

https://dalvi-moreshwar.vercel.app/

A software developer with more than **5.5 years'** experience, I work as an IT professional.

I am open to working with alternative technologies. With confidence and friendliness, I am able to work both individually and in teams effectively. As a problem-solver and analytical thinker, I am adept at solving

> I am excited to learn about the latest technologies in the market and I have already developed good knowledge on **Web 3.0**. I would like to learn more about them in the future.
